

## Why Bare Fruit?

**BARE FRUIT.**  
*100% Organic*

### Why Bare Fruit Organic Dried Fruit Snacks?

1. **100% Organic.** Bare Fruit dried apple chips and dried fruit snacks are made from Certified 100% Organic Fruit, ensuring that you are getting healthy pesticide free snacks for you and your family. Even the cinnamon we use in our cinnamon apple chips is 100% organic.
2. **Healthy Snack.** Nature always provides healthy fruits, and at Bare Fruit we just bake-dry them making the fruit easier to take with you.
3. **Baked, Not Fried.** Bare Fruit is cored, sliced and baked in wood-burning ovens for over 10 hours, at a very low temperature, to preserve nutrients, freshness, and taste.
4. **Low in calories, high in fiber and naturally sweet.**
5. **No additives.**
6. **No preservatives.**
7. **No added sugar.**
8. **GMO Free** (Genetically Modified Organism). The fruit that Bare Fruit uses in their dried fruit snacks comes from trees and plants from the original seed stock and not from scientifically engineered plants.
9. **Low Fat and Fat Free contents.**
10. **Cholesterol Free.**
11. **One-year long shelf life** with no refrigeration required.
12. **Meets 5 to 9 servings per day of the fresh fruit/vegetable** required by the USDA.
13. **Meets all the federal and state new healthy nutritional standards for schools and vendors.**
14. **Gluten Free.**
15. **Grown and/or packaged in the USA.**
16. **No added oil.**
17. **Kosher.**

### Who is Bare Fruit?

Bare Fruit's founders are Washington State organic apple growers, dedicated to environmental sustainability and to providing healthy, nutritious products for families across the country. Bare Fruit is now a part of the Old World family of companies.

### What are some other uses for Bare Fruit Snacks?

Bare Fruit's Bake-Dried Apple chips and Bake-Dried Fruit snacks are great for hiking, after school snacks, school lunches, sports practices, and when you need to grab something healthy to eat on the run. You can also use Bare Fruit dried fruit as a topping for cereal or yogurt, stir them in to your morning oatmeal, or top ice cream and salads, use Bare Fruit bake-dried apple chips and fruit snacks when making your own trail mix, or enjoy them right out of the bag.
